

MODULE B – AREA OF REVIEW AND CORRECTIVE ACTION PLAN

GSDT TAB: CORRECTIVE ACTION

Wells to be Addressed within the AoR Shapefile

A shapefile for the Wells that are to be addressed within the AoR is submitted as Confidential Business Information in Module B in a subfolder called “Shapefiles” in the “AOR CAP” folder and is called “Legacy_Wells_To_Be_Replugged”.

Please Note: The “*Area of Review and Corrective Action Plan*” technical report and associated figures, tables, and appendices, has been submitted as Confidential Business Information (CBI). This document has been submitted to meet the requirements of the “Corrective Action” tab in Module B of the Geologic Sequestration Data Tool (GSDT).
